3

In the Specification:

Please amend the specification as follows. On page 3, between lines 2 and 3, please insert the below paragraph (no new matter is entered thereby):

Referring to FIG. 2, as used herein, the term "browser interface" refers to the browser user interface frame, which is the generally persistent user interface surrounding the code of visited websites, thus enabling a user to view banners and messages even when the user has surfed to other websites.
